

Little River Laughs with Bob Nelson

Bob Nelson had a crowd of 750 bursting out in laughter during his 2006 April Fools Night appearance at the Little River High School gym.

Nelson shared several of his classic antics--his "verbamime" farmer vs. duck routine, meeting the football all-star team, and four tips on becoming a professional boxer from Jiffy Jeff.

Nelson joked about the loud storm that started soon after he came on stage: "If you're ever in a flood, you never want to be in a Chevy truck. Do you know why? They're "Like a Rock."

Afterwards, Nelson greeted fans and signed autographs.

Thanks Bob for sharing your laughs and love with us in Little River, Kansas!
